*"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me." Matthew 25:35-36*

## OUR DIRECTOR

Rami Fellemon, JEO's current director, was born and raised in the Holy Land and was blessed by Christian parents who love to serve the Lord.

Rami has a passion to impact the lives of others for Christ. This fostered a commitment to study the Word of God and gain skills in various fields in order to serve others and to build a strong Christian home for his wife and children.

He uses his experience and capabilities for the sake of those served, and he works hand in hand with staff and team leaders to understand the current situation and anticipate future ministry growth. He continuously seeks to build local networks and relationships.

## Media Production and distribution

JEO produces and distributes Arabic CDs, videos, TV and radio programs, Bibles and Christian literature throughout the Holy Land. We also acquire permission to distribute Christian media resources from other organizations. These resources are used and distributed at outreach events, to local churches and organizations. We use social media and videos with a message to reach and engage with young people.

## Educational trips

At JEO we organize field trips for various groups to biblical sites in the Holy Land. Here we provide information on the biblical significance of the sites and we have the opportunity to build relationships with attendees. Those who want to know more are invited to meet with JEO staff individually or in a group for further discussion about what they learned.

## Children's ministries

Our main children's ministry is our Mobile Sunday School. Our team travels to Christian children living in isolated areas and gathers them for a Sunday School. They learn about God through Bible stories, games, song and prayer. We also hold larger events for the children and their families so that they can have fellowship together.

In addition to the Mobile Sunday School, we often hold events for children as part of seasonal outreaches.

# Relief Team

The JEO relief team has been successful in reaching many people in need. We manage to visit around 1800 families per year with an average of 5 people in each family. We have provided them with food, medicine and warmth. We have reminded them that they are not forgotten about and brought hope to their households.
